## **Mussie Betre, CEO of Bankers Business Management Services Inc.**

### **RECOGNIZED FOR BUSINESS EXCELLENCE**

#### ***Mr. Betre to Receive Award as One of the Top 100 MBEs***

#### **At Ceremony on November 8, 2007**

SILVER SPRING, MD (October 19, 2007) – Bankers Business Management Services (BBMS) of Silver Spring, Maryland, is proud to announce that the company's President and CEO, Mr. Mussie Betre, has been selected to receive the prestigious Top 100 Minority Business Enterprise Award. The University of Maryland University College, the Governor's Office of Minority Affairs (GOMA) and The Maryland Chamber of Commerce notified Mr. Betre of his selection earlier this week. This program is designed to salute the region's best minority and women business owners and to highlight their achievements.

"As the entrepreneurial campus in the University System of Maryland, we are honored to support the working men and women who are building businesses and future opportunities", says Susan C. Aldridge, President of the University of Maryland University College.

A panel of distinguished judges chose BBMS as an entrepreneur that demonstrated outstanding achievement in four key areas: business development, client satisfaction, professional affiliations and community outreach.

Bankers Business Management Services, Inc. (BBMS) is a professional services and management company specializing in mailroom support and mail management, in addition to courier/messenger services, unarmed security, and parking facility management services. BBMS is one of the most experienced and best established minority owned firms in the courier and logistics industry for the Washington, DC metropolitan area. BBMS has been serving the commercial and government community since 1982 as a certified HUBzone contractor, a program that encourages economic development in historically underutilized business zones.

BBMS is committed to assuring that each client is treated with individual attention and dedication. BBMS stays on top of the details, like monitoring changing industry regulations and fluctuations in customer volumes and needs. They can often anticipate the changing needs, and find ways to meet them quickly before a problem even arises, another characteristic that sets BBMS apart from the competition.

Sharon R. Pinder, founder of the TOP 100 MBE Awards Ceremony said, "The business owners selected for this award represent the best of the region's more than 350,000 women and minority owned businesses. Their contributions have had a major impact in maintaining Maryland's vibrant economy."

Mr. Betre will be honored at an awards ceremony at the Inn and Conference Center, at University of Maryland University College, in Adelphi, Maryland, on Thursday, November 8<sup>th</sup> beginning at 5:30 p.m. For a complete listing of the top 100 please go to [www.top100mbe.com](http://www.top100mbe.com).

Please go to [www.BankersBMS.com](http://www.BankersBMS.com) for more information about BBMS.
